

SUPPORTING ACTIVITIES & FACILITIES
AT ALISO NIGUEL HIGH SCHOOL

Dear Restaurateur:

On October 3, 2009, the Parents for Aliso Niguel, Inc. (PFAN) and a coalition of Aliso Niguel High School Activities and Booster Clubs will host the third Taste For Aliso Niguel and we hope your restaurant can be a part of it.

The first two Tastes, a one-night food and wine-tasting event which were held in May and October 2008, raised over \$120,000 to benefit the student clubs and activities at Aliso Niguel which serves the youth of Aliso Viejo, Laguna Niguel and the surrounding communities. Over 20 restaurants participated, and over 2,000 tickets were sold for the events, making it the single largest fund raiser at the school.

Restaurants provide a sample entree on a 5-inch plate (most restaurants also include a starch). We ask restaurants to provide samples for only 500-600 people, but you are obviously welcome to provide more. The Taste lets a restaurant help its community while marketing its business to an ideal target audience of high household income. Demographically, our attendees eat out often and we push the activities and booster clubs to reward your participation not only by patronizing your establishments but by giving preference to your restaurant when considering catering for team kick-off meals and/or banquets.

Your restaurant's presence at The Taste for Aliso Niguel will help the event be as big a success for us as it has been at other schools. If you wish to participate, or have any questions, please call Christy Fonseca at (949) 249-7959 or Larry Strawther at (562) 431-7001. Christy can also be reached via e-mail at thinkhealthynow@msn.com and Larry can be reached at localsports@earthlink.net.

The event website is www.tasteforalisoniguel.com.

Remember the date - Saturday, October 3, 2009!

We look forward to seeing you at The Taste For Aliso Niguel.

Sincerely

Christy Fonseca
