

Smokey's House of BBQ would like to partner with local schools in fundraising opportunities for athletic or academic organizations. We are reintroducing two fundraising opportunities that have been extremely successful in the past for active school communities.

The first is simple and direct. For a specific academic or athletic club: on a prearranged night, Smokey's will donate 10% of the proceeds generated from the group's guests to the participating organization. The event can be held for an individual club or for a combination of more than one group. Guests just mention the group's name upon arrival, or at anytime throughout the meal.

The second fundraising opportunity we are offering is the donation of a percentage of the price of a Smokey's Gift Card. Smokey's will make a donation to the school when the club or organization to benefit is mentioned at the time the card is purchased. For every:

\$10 gift card sold = \$1 donated to the school

\$15 gift card sold = \$2 donated to the school

\$20 gift card sold = \$3 donated to the school

\$50 gift card sold = \$7 donated to the school

These Gift Cards allow friends and family to support your school's athletic or academic community and can be used for lunch or dinner at any time.

In addition, we would like to offer a reward to your exceptional or recognized students. If your school promotes a "Student of the Month" type program, we would like to add an incentive for those who receive the award. Smokey's will donate a \$5 gift card to each proud recipient.

We look forward to working with and supporting your school and its organizations. For more information, or, to arrange a fundraiser, please call 800-416-0949 and select the appropriate store location.

Sincerely,

Smokey's House of BBQ
